### **CVH-RVS TOY DRIVE**

Tales from the Toy Drive – 20 years of giving from the heart

Many years ago there was a burglary at the Valley View Cafe. The Toy Drive Collection Jar and the money it contained was stolen. At the time one of our residents that worked there (and who chose not to be named) was a very talented artist. He donated the proceeds from a couple of his paintings to make up for the loss, and helped preserve the joy of the holidays for so many. Please put a new unwrapped toy in one of our collection boxes located throughout the campus. If you have any questions, please e-mail or call me at 6327.

-Jeff Rosow, DMD, Toy Drive Co-chair
